

Section 1 – Identification

Product Identifier: T-RECS™ (Turf Reinforcement Erosion Control Solution)

Trade Name and Synonyms: Woven Polypropylene Geotextile

Chemical Name and Family: Polypropylene Fibers

Recommended Use: Construction

Chemtrec Emergency, 24-hour phone 800-424-9300

TenCate Phone: 800-685-9990

Manufacturer: TenCate Geosynthetics Americas, 365 South Holland Drive, Pendergrass GA 30567

Section 2 – Hazard Identification

Classification: This product meets the definition of an “article” and therefore is not regulated under OSHA Statutes. A Safety Data Sheet (SDS) is not required for this product by either the OSHA Hazard Communication Standard (29 CFR 1910.1200) or the Globally Harmonized System of Classification and Labeling of Chemicals (GHS) (ST/SG/AC.10/30Rev.5). When used as recommended and under ordinary conditions, it should not present a health and safety hazard. Use or processing of the product not under ordinary conditions may affect the performance of the product and may present unforeseeable health and safety hazards.

Section 3 – Composition

Per OSHA - 29 CFR 1910.1200, reporting is not required.

Section 4 – First Aid

Per OSHA - 29 CFR 1910.1200, reporting is not required.

Section 5 – Fire Hazard

Per OSHA - 29 CFR 1910.1200, reporting is not required.

Section 6 – Accidental Release

Per OSHA - 29 CFR 1910.1200, reporting is not required.

Section 7 – Handling and Storage

Per OSHA - 29 CFR 1910.1200, reporting is not required.

Section 8 – Exposure Controls / Personal Protection

Per OSHA - 29 CFR 1910.1200, reporting is not required.

Section 9 – Physical and Chemical Characteristics

Per OSHA - 29 CFR 1910.1200, reporting is not required.

Section 10 – Stability and Reactivity

Per OSHA - 29 CFR 1910.1200, reporting is not required.

Section 11 – Toxicological Information (routes of exposure)

Per OSHA - 29 CFR 1910.1200, reporting is not required.

Section 12 - 15 – Not Mandatory

Per OSHA - 29 CFR 1910.1200, reporting is not required.

Section 16 – Other Information

Date Prepared or Revised: May 27, 2015

The information and recommendations contained in this publication have been compiled from sources believed to be reliable and current. Our products can be used in many different applications. Therefore, we make no guarantee that the recommendations will be adequate for all individuals or all situations. Each user of the product described herein should determine the suitability for their particular purpose and should comply with all federal and state rules and regulations concerning the described products.
